2008 Annual Report

for the Town of
FRANCESTOWN
New Hampshire

Digitized by the Internet Archive
in 2010 with funding from
Boston Library Consortium Member Libraries

DEDICATION

Someone once observed that the strength of a town is drawn from the involvement of its citizens, particularly in times of trouble. During the past two years Francestown has had its share of “times of trouble.” In 2007 we suffered through the worst floods in years. 80% of the town’s roads were affected requiring extensive repair. In 2008 we had the second worst winter on record in terms of snowfall culminating in the ice storm in December. Each calamity presented its own particular set of problems, either in road reconstruction, or removing the vast amount of downed trees to allow the power companies to repair the extensive damage done to the electrical infrastructure. Throughout, there were Francestonians, D.H. Hardwick and Sons, Francestown Sand and Gravel, Steven and Richard Miller, Yankee Pool, Clarence Paige and George Whipple, uniquely equipped with both machinery and their time, who stepped up to help the town in its time of need. There are too many other individuals who, either as volunteers in the Fire Department or those who cooked meals at the Community Church, to list here. They, and we, know who they are. We sincerely appreciate their service. This Annual Report of the Town of Francestown is dedicated to them.

**TOWN WARRANT
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Francestown, in said County of Hillsborough, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the "Red School" in said Francestown on Tuesday, the Tenth day of March next, at 10:00 o'clock in the forenoon to act upon the subjects hereinafter set forth. The voting of Articles 1 and 2 will be by official ballot, and the polls shall be open for balloting on said date at 10:00 o'clock in the forenoon and shall not close before 7:00 o'clock in the evening.

ARTICLE 1:

**To choose all necessary Town Officers for the ensuing year.
(By Official Ballot)**

ARTICLE 2:

**"Shall we adopt the provisions of RSA 43:13 (known as SB2) to allow official ballot voting on all issues before the Town of Francestown on the second Tuesday of March."
(By Official Ballot, 3/5 Majority Vote required)**

(By petition)

Pursuant to RSA 39:2a and the vote of the Annual Town Meeting in 1979, you are hereby notified the second session of the annual meeting of the Town of Francestown will be held at the Town Hall on Saturday, the Fourteenth day of March next, at 10:00 o'clock in the forenoon, at which time the Town will act on the following subjects:

ARTICLE 3:

To see if the Town will vote to raise and appropriate the sum of ONE MILLION FOUR HUNDRED TWENTY-TWO THOUSAND EIGHT HUNDRED FIFTY-FOUR (\$1,422,854) DOLLARS to pay the normal operating costs of the Town, such sum to be raised by taxation, or take any other action related thereto.

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 4:

To see if the Town will vote to raise and appropriate the sum of TWO HUNDRED SEVENTY THOUSAND (\$270,000) DOLLARS to be added to the Capital Reserve Funds in the following manner:

\$40,000	Future Replacement of Fire Trucks
\$ 5,000	Future Replacement of Fire Equipment
\$10,000	Future Establishment, Replacement and Maintenance of Non-Pressurized Water Supplies and Appliances for Fire Suppression
\$50,000	Future Replacement or Purchase of Highway Equipment
\$80,000	Future Town Road Improvements
\$65,000	Future Repair and Replacement of Bridges
\$10,000	Future Replacement of Police Vehicles
\$10,000	Future Appraisal of Real Estate

Such sums to be raised by taxation, or take any other action relating thereto.

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 5:

To see if the Town will vote to raise and appropriate the sum of FORTY THOUSAND (\$40,000) DOLLARS to be placed in the Conservation Fund as authorized by RSA 36A:5 and for the purposes of same, such sum to be raised by taxation, or take any other action related thereto.

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 6:

To see if the Town will vote to raise and appropriate the sum of THIRTY THOUSAND (\$30,000) DOLLARS to complete a full real estate appraisal as set forth by the Department of Revenue Administration; THIRTY THOUSAND (\$30,000) DOLLARS to be withdrawn from the Capital Reserve Account entitled "Future Appraisal of Real Estate", or take any other action related thereto.

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 7:

To see if the Town will vote to raise and appropriate the sum of SIX THOUSAND SIXTY-NINE DOLLARS AND ELEVEN CENTS (\$6,069.11) for final payment on the Kubota sidewalk snowplow, such sum to be withdrawn from Undesignated Fund Surplus, or to take any action thereto.

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 8:

To see if the Town will vote to raise and appropriate the sum of ONE HUNDRED EIGHTY-FIVE THOUSAND (\$185,000) DOLLARS to purchase a new ten-wheel dump truck, such sum to be raised by the withdrawal of ONE HUNDRED FORTY-FIVE THOUSAND (\$145,000) DOLLARS from the Capital Reserve Account entitled "Future Replacement or Purchase of Highway Equipment" and FORTY THOUSAND (\$40,000) DOLLARS from Undesignated Fund Surplus or take any other action related thereto.

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 9:

To see if the Town will vote to raise and appropriate the sum of TWO HUNDRED FORTY THOUSAND (\$240,000) DOLLARS for the replacement of the Collins Brook Bridge located on Pleasant Pond Road, such sum to be raised by the acceptance of a FEMA Grant in the amount of ONE HUNDRED SEVENTY-EIGHT THOUSAND (\$178,000) DOLLARS and the withdrawal of SIXTY-TWO THOUSAND (\$62,000) DOLLARS from the Capital Reserve Account entitled "Future Repair and Replacement of Bridges", or take any other action related thereto.

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 10:

To see if the Town will vote to raise and appropriate the sum of EIGHTY THOUSAND (\$80,000) DOLLARS for the completion of the reconstruction of Poor Farm Road between Todd Road and Route 136 at the Town center, and to begin culvert, drainage and bridge work on reconstruction of Pleasant Pond Road, such sum to be raised by the withdrawal of EIGHTY THOUSAND (\$80,000) DOLLARS from the Capital Reserve Account entitled "Future Town Road Improvements", or take any other action related thereto.

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 11:

To see if the Town will vote to raise and appropriate the sum of EIGHT HUNDRED THOUSAND (\$800,000) DOLLARS for the replacement of Town Bridges and or reconstruction of a portion of Pleasant Pond Road, such sum to be raised by the acceptance of grant funds and to withdraw up to TWO HUNDRED THOUSAND (\$200,000) DOLLARS from Undesignated Fund Surplus. Such action to take place only if Town receives grant funds, or take any other action related thereto.

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 12:

To see if the Town will vote to raise and appropriate the sum of TWENTY-FOUR THOUSAND (\$24,000) DOLLARS for completion of the George Holmes Bixby Library geothermal project, such sum to be raised by the withdrawal of FOURTEEN THOUSAND (\$14,000) DOLLARS from the Capital Reserve Account entitled "Future Repair and Replacement of Town Buildings" and TEN THOUSAND (\$10,000) DOLLARS to be accepted from the George Holmes Bixby Library Trustees, or take any other action related thereto.

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 13:

To see if the Town will vote to raise and appropriate the sum of THIRTY-FIVE THOUSAND (\$35,000) DOLLARS for repairs to the twin culvert bridge located on the Second New Hampshire Turnpike South between Woodward Hill and Clarkville Roads, such sum to be raised by the withdrawal of THIRTY-FIVE THOUSAND (\$35,000) DOLLARS from the Capital Reserve Account entitled "Future Replacement of Town Bridges", or take any other action related thereto.

The Selectmen and the Budget Advisory Committee recommend this appropriation.

ARTICLE 14:

To see if the Town will vote to raise and appropriate a sum not to exceed FIFTEEN THOUSAND (\$15,000) DOLLARS for hydrologic studies to determine the reliability of existing and future sources of water for fire suppression, such sum to be raised by the withdrawal of FIFTEEN THOUSAND (\$15,000) DOLLARS from the Capital Reserve Account entitled "Future Establishment, Replacement and Maintenance of Non-Pressurized Water Supplies and Appliances for Fire Suppression", or take any other action thereto.

The Selectmen and a majority of the Budget Advisory Committee (3-0, 1 abstained) recommend this appropriation.

ARTICLE 15:

To see if the Town will vote to raise and appropriate the sum of FOUR THOUSAND (\$4,000) DOLLARS, such sum to be withdrawn from Undesignated Fund Surplus and deposited in the General Cemetery Trust, said amount representing revenue received from the sale of cemetery lots in the year 2008, or take any other action related thereto.

The Selectmen and the Budget Advisory committee recommend this appropriation.

ARTICLE 16:

To see if the Town will vote to raise and appropriate the sum of TWENTY-FOUR THOUSAND (\$24,000) DOLLARS for an emergency standby generator for the Fire House, such sum to be raised by the acceptance of grant funds in the amount of TWELVE THOUSAND (\$12,000) DOLLARS and the withdrawal of TWELVE THOUSAND (\$12,000) DOLLARS from the Capital Reserve Account entitled "Future Replacement of Fire Equipment", or take any other action related thereto.

The Selectmen recommend this appropriation, the Budget Advisory Committee voted to not recommend this appropriation (1-3).

ARTICLE 17:

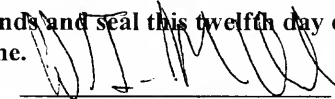

To see if the Town will vote to raise and appropriate the sum of SIX THOUSAND (\$6,000) DOLLARS for the treatment of invasive milfoil in Scoby Pond (aka Haunted Lake), such sum to be raised by the withdrawal of THREE THOUSAND ONE HUNDRED TWENTY (\$3,120) DOLLARS from Undesignated Fund Surplus and TWO THOUSAND EIGHT HUNRED EIGHTY (\$2,880) DOLLARS to be raised by the acceptance of a grant, or take any other action related thereto.

The Selectmen and the Budget Advisory Committee recommend this appropriation.

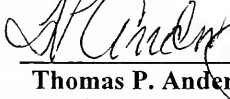

ARTICLE 18:

To transact any other business that may legally come before said meeting.

Given under our hands and seal this twelfth day of February, in the year of our Lord, two thousand nine.

William F. McAuley

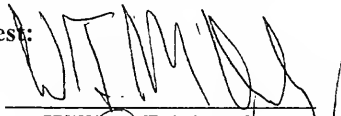

Thomas P. Anderson, Jr.

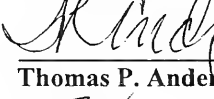

Betsy Hardwick

Board of Selectmen
Town of Francestown, New Hampshire

We have compiled the financial statements of the Town of Francestown, New Hampshire for the year ended December 31, 2008, included in the accompanying Form F-65 (MS-5), in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

Our compilation was limited to presenting in the form prescribed by the New Hampshire Department of Revenue Administration, information that is the representation of Town Officials. We have not audited or reviewed the financial statements referred to above and, accordingly, do not express an opinion or any other form of assurance on them.

The financial report, Form F-65 (MS-5), is presented in accordance with the requirements of the New Hampshire Department of Revenue Administration which differ from accounting principles generally accepted in the United States of America. Accordingly, these financial statements are not designed for those who are not informed about such differences.

BOARD OF SELECTMEN ANNUAL REPORT

It would be an understatement to say that 2008 was a year of significant changes, not only for Francestown but our nation as a whole. Your Board of Select Persons are grateful to all those who helped us to end the year with a small surplus in the operating budget.

Mother Nature was no friend in 2008. The beginning of the year saw significant snowstorm after significant snowstorm, ending as the second snowiest winter on record. Not content with that record winter, Mother Nature tried to outdo herself this past December with one of the worst ice storms ever recorded and certainly the worst power outages ever experienced. These storms created significant hits to the budget but it was held in check due in large part to everyone's Yankee determination and spirit of volunteerism. It was not just the town departments and employees but everyone in the community who stepped forward to help their fellow townspeople. This community effort is no better typified than by the Community Church which day after day, free of charge, supplied hot breakfasts and dinners to all who stopped by.

As we have just witnessed a change of administration in Washington, so to in Francestown have we seen significant changes. Lifelong resident of Francestown and Chair Person of the Conservation Commission, Betsy Hardwick joined the Board of Selectmen. A new Administrative Assistant, Sherry Miller was formerly with the Town of Antrim and has an in-depth knowledge of town government. Changes in policies and procedures have resulted in cost reductions and improved services.

The Selectmen recognize that many of our citizens are on fixed incomes, many have investments that are suffering, some are now unemployed and meantime the cost of everything is going up. The Town Budget Advisory Committee and Capital Improvement Plan members have spent many hours and held numerous public meetings to keep a check on the budget for 2009. As the proposed budget indicates we were able to develop a reduced operating budget and a reduction over capital improvement planned expenditures. While the citizens will be asked to approve certain expenditures for 2009 at Town Meeting, we are confident in saying that these will have an over-all positive impact on this and future budgets.

As the final budget for 2009 is prepared and printed we should recognize that several departments have submitted reduced requests and submitted budgets less than last years. This 'do more with less' spirit is what will allow us all to come through the uncertainties of the coming year and support one another and those in need in our community.

FRANCESTOWN VOLUNTEER FIRE DEPARTMENT

2008 REPORT

2008 Officers:

Chief	Larry Kullgren
1 st Deputy	Brian Delahanty
2 nd Deputy	Rich Pierson
Forest Fire Warden	Richard Leavitt
Captains	David Kullgren
	Kevin Holdredge
	Aaron Eder-Linell
Lieutenants	Jenny Fritz
	Jason St. Cyr
Standing Committee	Richard Leavitt
	Mike Abel
	Aaron Eder-Linell
Clerk	Jenny Fritz
Treasurer	Paul St. Cyr
Training Officers	Aaron Eder-Linell
	Kevin Holdredge
Fire Prevention Officer	Rich Pierson
Historian	Al Thulander

Breakdown of calls:

Fires –

- 1st Alarm Structure – 1
- Smoke Investigations – 8
- Motor Vehicle Fires – 2
- Equipment Fire – 2
- Chimney Fires – 6
- Brush Fires – 8
- Automatic Fire Alarms – 4
- Public Assists – 5
- CO Investigations – 8
- Mutual Aid Calls – 14
- Wires Down – 19
- Haz Mat – 2

Animal Rescues – 1

Ice Storm Related – 18

Medical Rescues – 44

Motor Vehicle Accidents – 11

Search and Rescue – 2

The Francestown Volunteer Fire Department responded to 155 emergency calls during 2008. The fire department also conducted 12 business meetings, 17 drills, and 78 work details.

Until the ice storm of 2008 our call volume was down from recent years. With this said, the types of calls we responded to in 2008 were consistent with years past.

Outlooks for 2009:

- Continued work on the town's ISO Rating in hopes of possibly lowering the cost of resident's homeowners insurance.
- Installation of more dry hydrants to improve water source capability
- To assist in the completion of the town's Emergency Operation Plan updates.
- To build on and improve the training of all fire department and rescue squad personnel.
- To make mechanical and building updates to improve the fire station's capability in handling future long term emergency events.

On another note, I would like to take this opportunity to thank the residents and guests of Francestown for their overwhelming support in 2008 of our Annual Labor Day Fundraiser.

In addition, I would like to also say thank you to all the members of the Francestown Volunteer Fire Department and Rescue Squad for their tireless efforts to ensure the safety of the residents of Francestown during the Ice Storm of 2008. These men and women, who were also dealing with emergencies at home took time day after day from their families, work and other responsibilities to help staff the fire station 12 – 16 hours a day for eight straight days.

I am so proud to work with some of the most dedicated volunteers in the area. Thank you to all!

In closing I would like to add that the best way to save lives and property is early detection and notification of a fire or medical emergency. Please, always be careful with fire. Change CO and Smoke Detector batteries annually, check to ensure each device is in proper working order, and have a family evacuation plan in place.

Respectfully Submitted,

Larry Kullgren, Chief

2008 Annual Report
Auxiliary of the Francestown Volunteer Fire Department

Officers elected for 2008

President	Karen St. Cyr
Vice President	Linda Abbott
Secretary	Nicole Kullgren
Treasurer	Denise Hunsaker

Proudly serving the Francestown Volunteer Fire Department (FVFD) since 1972, the Auxiliary is on call as needed. Additionally the organization extends its service to the Francestown community and beyond. The dedication of Auxiliary members, along with extraordinary community support, makes it possible for the organization to continue its broad range of community service.

The Auxiliary provides refreshments for the fire department when it is out on an extended call. Most recently, it assisted with meals following the devastating December ice storm while electricity was restored to the town. Refreshments for the well attended Fire Department and Public Safety Open House, held in the spring, were provided by the Auxiliary. In October, we partnered with the FVFD to bring the annual Fire Prevention & Safety Program to Francestown Elementary School students. The Auxiliary brings chocolate chip cookies and cider for everyone, and presents a Toadstool Literary Voucher to each classroom.

The organization's primary fund raiser, the Directory Project, is the publication of the Francestown Telephone & Business Directory on even years. It also provides a valued community service. The sale of refreshments at Town Meeting and catering a corned beef dinner for the March meeting of the Hillsborough County Forest Fire Wardens at the firehouse are also fund raisers.

Community Service initiatives include sponsorship of the Welcome Basket. Led by Lori Hardwick-Way and Diane Noonan, it is an organization which welcomes new residents with a bountiful basket of gifts and information about Francestown and the region. The February Community Supper customarily hosted by the Auxiliary unfortunately was cancelled due to stormy weather. A collaborative organized in November, Francestown Friends, provides assistance to Phyllis Naegeli, Public Assistance Administrator. It includes Naegeli, the Community Church, FES, and the Auxiliary. In November the Auxiliary was honored to host the luncheon following the Veteran's Day service. Almost 600 pints of blood have been collected at the Auxiliary sponsored semi - annual blood drives since they begun in 2002. Participation in Community Santa is an established tradition for the organization.

Friends and neighbors, thank you for your support. For information about the Auxiliary please contact an officer. New members are always welcome.

Respectfully submitted,

Karen A. St. Cyr
President

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfi.org.

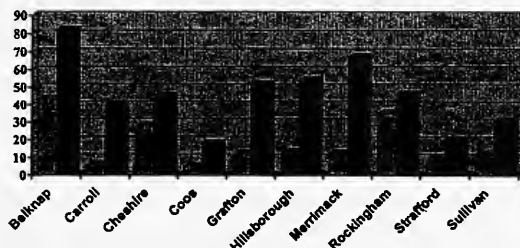

Spring fire season lasted unusually long this past year, with very high fire danger stretching into the first week of June. Once again, the rains started to fall during the summer and the fire activity was fairly light for the remainder of the year. The acreage burned was less than that of 2007. The largest forest fire during the 2008 season burned approximately 54 acres on Rattlesnake Mountain in Rumney on White Mountain National Forest property. Another 39 acre fire occurred on Mount Major in Alton during the month of April. Our statewide system of 16 fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2008 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

2008 FIRE STATISTICS

**George Holmes Bixby Memorial Library
Trustees' Annual Report 2008**

For the George Holmes Bixby Memorial Library, the year 2008 was filled with exciting progress in our development as a community institution dedicated to readers of all ages.

Following nearly two years of planning, the Library expansion project moved from designs on paper to actual construction. To clear the way, Library Director Carol Brock, Library staff and many volunteers pitched in to pack up the collection and move operations to temporary quarters in the Town Hall, transporting many loads of materials and furnishings to secure, long-term storage.

Carol also led the way in establishing the temporary Library at the Town Hall, cleaning and painting the very “cozy” coatroom just off the foyer of the Town Hall. Maintaining normal hours of operation, the staff have done an exceptional job of serving Library patrons in this tiny space.

Meanwhile, back at the Library, ground was broken on the addition in the spring. Special care was taken to relocate the weeping cherry tree planted some two decades ago in memory of past Librarian Caroline Lord (thanks to Josh Stewart of Fracestown Sand & Gravel, who wielded his backhoe with skill to move the delicate tree).

Construction managers Baybutt Construction of Keene worked steadily throughout the spring and summer, overseeing the pouring of the foundation and the construction of the masonry elevator shaft, framing, roofing and siding the new addition, and performing improvements in the historic brick building, including reinforcement of the second floor and roof support structures. By Labor Day, residents and visitors to Fracestown were able to see an addition that looked very complete on the outside. Meanwhile, work on the interior progressed, including the design and installation of the geothermal heating and air-conditioning system.

The project has benefited from generous community support. In response to a fund-raising letter sent to residents in the fall, Trustees were gratified to accept generous donations that will help pay for new library furnishings. Thanks to all of you who showed your support.

Throughout all of these developments—both exciting and challenging—the Library staff proved a solid foundation. Their continued flexibility and commitment to serving Library patrons with professionalism and warmth have been exceptional. We offer our sincere thanks to Library Director Carol Brock, Library Assistants Sirkka Holm and Susan Connard, and our Temporary Library Aides, Jan Griffin and Mary Farrell.

2009 will prove a banner year as we prepare for the completion of construction and a much-awaited return to the “new and improved” Library. We look forward to this exciting, new chapter in the George Holmes Bixby Memorial Library’s story.

Respectfully submitted,

Trustees:
Nancy Hibbard, Secretary
Paula Hunter, Treasurer
Gloria Normile
Andy Paul, Chairman

Women and Money #2 with Maureen von Rosenvinge
Haunted House Mystery Party (pre-teen 8-12)
Halloween
Teddy Bear's Picnic Party
Summer Reading Programs:
Australia
Craft parties
Reptiles

We began in 2008 with the George Holmes Bixby Memorial Library continuing to experience upheaval and change- all were through positive movements toward our construction and renovation project.

January-March found our staff and many community volunteers working together in the planning and packing of the library contents for the move to our temporary location in the renovated coat check room in the Town Hall. The library book collection was stored in a moisture proof room under the Town Hall. The furniture and supplies were housed in a storage facility in New Boston.

Many thanks to the young volunteers of Frankestown who helped clean and paint this room in the Town Hall. Thanks also to Robert Rokes for the beautiful renovation of the pine floor to its former glory. Thank you to the Board of Selectmen for their constant help and encouragement throughout this project. Our feet would have been frozen to the floor without their gift of a gas heater.

Thanks to the staff and Board of Trustees who went above and beyond in both their patience and professionalism which allowed us to continue our normal library hours, uninterrupted. The collection and programs, although limited, were varied in fiction and non-fiction and offered an ever changing literary choice.

The above report reflects statistics in April –December as a consequence of the above mentioned construction and renovation project.

Respectfully Submitted

Carol Brock, Library Director

HERITAGE COMMISSION
2008

The Heritage Commission finished its fourth year in 2008. The Commission meets the second Saturday of the month at 9 AM in the lower part of the Town Office Building.

The Heritage Commission generally has advisory and review authority as defined by Section 674:44-b of the RSAs.

The Heritage Commission is in the process of establishing Rules and Procedures as well as furthering the understanding/interpretation of the governing RSA.

In August, the NH Department of Historical Resources announced that the State Historic Resource Council recognized the Francestown Mill Village District and the Francestown Main Street Historic District for the NH State Register of Historic Places. A majority of the residences in these areas are now on the Register as well. Thanks to Diane Curran, former Chairwoman of the Heritage Commission, for working with subcommittee members, Roon and Ed Frost, Jan and Steve Griffin and Peter Bixby for all their work in providing the State with the documentation required for this distinction. For those who would like to see their properties listed and who were unable to sign off on the form sent by the State, please contact a Heritage Commission member. There is ongoing discussion as to how to celebrate these areas being accepted on the Register such as plaques or celebration party.

The Commission members continue to discuss the Town Hall building, its maintenance and preservation. Engineering reports and prior studies on the Town Hall were distributed for further study and discussion. Commission members have discussed the potential of using the CIP and a future Town Hall Capital Reserve Account. The Soapstone Mill is an ongoing concern for the members.

Jeff Levis and Carolyn Woodbury asked the Heritage Commission for insight into possibly renaming the Town Hall to the Francestown Academy to better reflect its historic identity/importance as well as to possibly eliminate confusion between Town Offices and Town Hall. The Commission felt that this might have to be an article on a warrant to be voted on.

The Heritage Commission continues to write articles for the Francestown News and is utilizing the new Town Web Site.

Members and alternates of the Heritage Commission are Bobby Abbott, Barbara Caskie, Mary Lindstrom, Silas Little, Joe Ludwig, Bill McAuley (Selectperson representative), Ann Stewart and Maureen von Rosenvinge.

All meetings are open to the public and the Commission members urge residents to attend.

Respectfully submitted,
Mary Lindstrom
Acting Chair

CONSERVATION COMMISSION REPORT 2008

The year ended well with the signing of a conservation easement on December 29th. Donated to the Town by Pamela Bixby Avery, this easement protects 20 acres of significant wildlife habitat directly adjacent to the 900 acre Crotched Mt. town forest and within a large unfragmented area of regional conservation importance. Sincere thanks are extended to Pamela Avery for this important contribution to conservation efforts within our community.

The Society for the Protection of NH Forests failed to finalize the conservation easement on the Town-owned mountain properties this year but we are told it will be completed shortly. And we continue to work cooperatively with other conservation organizations including the Francestown Land Trust and the Piscataquog Land Conservancy on both land protection projects and educational initiatives.

Forest management and stewardship is a continuing effort. Ron Klemarzyk of Forest Resource Consultants (FORECO) completed a management plan for the Shattuck Pond Conservation Area, and finished blazing and painting the bounds of the Shattuck Pond lots as well as sections of the Dinsmore Brook property that are not bounded by stone walls. We discussed updating and/or developing new management plans for other Town forests and conservation properties. At this time no timber harvests are planned due to current wood market conditions.

Commission members and/or other volunteers inspected Town conservation properties for problems or concerns (which might include things such as invasive insects or invasive plant problems, illegal ATV use, or boundary issues). We also completed our annual inspection of Town-held conservation easements to ensure compliance with the terms of each easement. No serious problems were encountered on any of the properties.

With miles of hiking trails throughout our conservation properties, trail maintenance is a continuing concern. Thanks are extended to all the volunteers who help. This year we added new trail markers to Scot's trail and cleaned up a considerable amount of winter storm debris. In December we voted to order directional signs and trail markers for the Dinsmore Brook Conservation Area and to place a gate on the access road near the Turnpike. We still have problems with lost hikers on the Crotched Mt. trails; as it appears they typically come from the Greenfield side of the trail system we are trying to make sure maps are kept available at their trailhead in hopes this will help. The December 2008 ice storm left a tremendous amount of downed trees and branches across trails and access roads in our town forests. This situation will need to be fully assessed and plans made to clean it up as soon as practical.

Managing and improving wildlife habitat continues to be an important element of forest management activities. In late January we cleaned out eight duck boxes in the Crotched Mt. Town forest and replenished them with several inches of fresh shavings - this is easiest done under frozen conditions as the boxes are placed on poles in open water. This year we found evidence eggs successfully hatched in all but one of the boxes. Crab apple trees planted as part of a turkey habitat program were fertilized, pruned, and their protective wire replaced or removed as determined appropriate. Scott Carbee of Carbee Field Renovation mowed the two wildlife fields - this is done every two or three years and is always completed late in the season to avoid disturbing any nesting birds. Carbee also very generously donated his time to cut and clear several downed trees and branches he discovered on the access road.

Earth Day was celebrated with a roadside clean-up and educational program co-sponsored with the Francestown Land Trust - volunteers gathered more than 50 bags of trash and some other odd items from our roadsides. Prior to the clean-up David Jonas gave a fascinating talk about his remarkable experience on Canadian waters while trying to document the illegal killing of baby seals.

The Joan Hanchett Nature Series Program continues as a combined effort of the Commission, the Francestown Land Trust, the GH Bixby Memorial Library, and our sponsor the Francestown News. A very well attended program on black bears was held in January with bear expert Ben Kilham and a safe-

hiking/survival event during the summer which rainy weather rather ‘washed out’. More events are planned for next year including a program on coyotes and wolves in late January.

Members attended several educational workshops including programs on light pollution, wetland issues, wildlife habitat, conservation planning, invasive species and land management. We held two hikes in the Dinsmore Brook Conservation Area, the annual moonlight hike in February and one after school hike – both well attended and a lot of fun. Wetland applications, ZBA applications, subdivisions and other planning board issues were reviewed and commented on. And we completed and mailed our annual newsletter in March.

The Commission continues to work on updating our ‘Natural Resource Inventory’ and helped sponsor in cooperation with the Francestown Land Trust and the Russell Foundation a botanist study in areas of key conservation interest within Francestown. This study had some particularly interesting results including the discovery of an ‘exemplary natural community’. We currently plan to continue the study into next year.

The campaign to conserve 2010 acres by the year 2010 continues, with another 180 acres conserved – the 20 acre Avery conservation easement noted above, and another 160 acres abutting the Dinsmore Brook Conservation Area placed under easement with the Francestown Land Trust by landowner George Sanderson. This brings the total acres protected under this campaign to 1,371 acres, or about two thirds of our goal. We expect the last third to be more of a challenge for a number of reasons - including the current economic situation.

The NH Land & Community Heritage Investment Program (LCHIP) canceled this year’s grant round as the available LCHIP funds were taken for other purposes due to State budget issues – and other grant programs and foundations are also suffering from the economy. While this makes it more challenging to do so, conserving our natural resources remains of no less significance: It still remains true that our natural resources are critical; safe drinking water, clean air, land to grow forest products, for wildlife habitat and for growing food have not lost any of their importance – if anything they are more important, perhaps most particularly the ability to grow food locally and to provide sustainable timber resources. And we will continue to make every effort to work cooperatively with local landowners and other conservation organizations to conserve these resources in the most effective way possible.

We thank you for your help and support throughout the past year.

Respectfully Submitted,
Betsy Hardwick, Chair

8)	Avery – (Crotched Mt., donated by Pamela Bixby Avery 2008)	20.1 acres

Executory Interest (Secondary Easement Holder)

1)	Jones – (New Boston Road)	56 acres
2)	Howe – (2006 Red House Road)	29.26 acres

*Additional acres of town-owned land to be placed under easement per 2003 warrant article - 280 +/- acres pending with SPNHF, and per 2005 warrant article - 15 acres pending finalization of easement documents

Road Agent's Report 2008

2008 was another busy year for the Highway Dept. Record snow kept us more then busy in the winter months and above normal rainfall meant a busy summer season as well. Along with Miller Construction, we completed excavation and drainage work on Poor Farm Road. The first coarse of asphalt was also put in place. We will be looking to put the final layer of asphalt on this summer. The new 10 wheeler has worked out very well for us and we appreciate the Towns support.

We hauled gravel to several locations across Town as well as hauling winter sand.

The month of December, Francetown was hit with an ice storm that won't soon be forgotten.

This department cannot say "Thank You" enough to the contractors of Town. They deserve our appreciation, respect, and strong consideration for local projects. Their professionalism, dedication, and concern for there Town is to be applauded.

Thank You,
Francetown Sand and Gravel
Yankee Pools
Miller Construction
DH Hardwick + Son
David Cahoon

The selectmen also deserve many thanks for their effort.

They put more time in than many people realize and I have always had positive and productive input from them, I personally thank all three for their support.

Respectfully Submitted
Gary Paige

WASTE DISPOSAL COMMITTEE

It has been an exciting year for the Transfer Station. Cost reductions have been identified and implemented in the 2009 budget. "Talkin' Trash" continues to provide valuable information to increase our recycling efforts. In 2008 we transferred a total of 768 tons of material. Of that total we recycled 336 tons making Francestown's recycling effort 44%% of total volume and exceeded the DES recycling goal by 4%. We have devised a plan to make changes in the physical layout of the Transfer Station in order to comply with DES's Solid Waste Management Division's suggestions to comply with their regulations. Unfortunately, the sluggish economy took its toll on our revenue stream. During the first three quarters of the year the return for aluminum cans, metal and paper was high; during the last quarter the revenue for recycling plummeted and is currently below break-even.

In 2008, the Transfer Station did the following business, measured in tons:

Solid Waste (compactor)	432
Construction/demolition	72
Aluminum cans	3
Metal	17
Glass	70
Paper	121
Co-mingled (plastic)	41
E-waste	5
Clothing	7

The residents of Francestown are doing a great job recycling. We have now exceeded the state's goal by 4%. Keep up the great work and we can achieve an even larger percentage of success. Thank you, residents.

Respectfully Submitted,

Becky Moul

Emergency Management Annual Report 2008

Another very active weather year. We had a record snow year and a major ice event in December that caused significant tree damage throughout the Town. The December storm left everyone in Town without electrical power for a period of time (some for up to 10 days) and many lost communication capability for even longer. The entire southern part of NH was declared major disaster area enabling us to apply for emergency funding to cover the majority of the cost incurred associated with opening the roads and debris removal.

Again, the Francestown Volunteer Fire Department was extremely active during the ice storm. They assisted in opening roads, provided assistance as necessary refueling and in some cases repairing generators, doing house to house checks, and a variety of other tasks too numerous to list. Again the volunteers of the Fire Department went above and beyond. Super job and many thanks to all.

We also need to thank the entire highway department again for all that was done during and after the December storm. They also went above and beyond attempting to keep the roads open and safe for emergency traffic. Once more with accurate and detailed records, the Town will be able to apply for Federal and State assistance for the clean up and debris removal.

Special thanks must also be expressed again to Francestown Sand & Gravel, D.H. Hardwick & Sons, and Yankee Pools for immediately coming to the aid of the Town. They all called the highway garage asking, "what do you need me to do, what can I help you with and where do you need me to go". They were all kept busy for several days removing downed and damaged trees and debris from roadways. Great job!!!

With the help of Betsy Hardwick, Selectman; Larry Kullgren, Fire Chief; Steve Bell, Police Chief; and Gary Paige, Road Agent; the Francestown Emergency Operations Plan is being updated and should be completed by March, 2009. The plan was originally developed about 12 years ago but needed to be updated to comply with Federal and State requirements.

I'm always available to answer questions regarding natural disasters, emergency services, etc. Don't hesitate to call me at 547-3300 or 620-5065.

Anyone interested in becoming Deputy Emergency Management Director? We are looking for a volunteer. If interested contact either the Selectmen or myself.

Don't forget to post your house number so it can be easily seen by emergency personnel.

Respectfully Submitted,

Paul A. St. Cyr,

Director

2008 Town Report

The theme for 2009 is change. I hope for quick change in the economy, but I don't see it coming fast. Costs are going up everywhere for everybody. When the economy gets bad crime typically rises along with domestic issues and alcohol/drug use. Keeping the economy in mind, our operating budget was not increased. We are not proposing increased patrol. I think the proposed budget will give the community adequate coverage.

Once again we have had some personnel turnover in the Police Department. Sgt. Tom Thibeault resigned last spring after several years of distinguished service. He will be missed. Turnover is quite common for departments so reliant upon part-time help. One of the biggest issues is availability of Officers, how it effects their full-time employment and how many hours they are allowed to work per year. Part-time Officers are limited to 1300 hours per calendar year by law. If an Officer exceeds the hours he/she can lose his/her certification and, therefore, not be able to work. Continuity with the community, case follow up and keeping current with ongoing issues is also a problem. If an Officer takes a case he may not get to follow up with it for several days because he is not scheduled. Officers are trained to perform a task but do not become proficient because there is infrequent opportunity for practical application. This is a drain on our resources because the Officers need to be trained on the same task several times. This, however, is not to say we have a bad department, quite contrary, I think we have an excellent department that works well with the tools it has, while trying to meet the needs of its community.

At recent meetings there has been some discussion on space needs for the Department. Federal and State regulations have rendered our current office space out of date. There are ADA issues as well as issues with juveniles in custody. By law, juveniles that are in custody must be separated by sight and sound from adults. Our bathroom is not ADA compliant. Presently, if we have an unruly individual in custody, we have to transport them to a facility with a holding cell (Peterborough, Hillsborough or Goffstown Police Departments). This creates an issue of Officer safety and safety to the person in custody while in transport. Last year cruisers had to be repaired due to damage done during transports by individuals in custody.

The recent ice storm brought up several issues concerning our town buildings; especially how functional they are during emergency situations. I think this has opened up some eyes to the need for updating facilities so they function adequately during emergencies. We all know that this is not going to happen overnight, but it should become a priority to look at all the buildings linked to emergency operations.

Representatives from the Fire, Highway, Police Departments along with the Selectman's Office and the Emergency Operations Director are halfway through updating the towns Emergency Operating Plan. We have been meeting monthly since last fall and should be done this spring.

I encourage you to check out the Town's new web site www.francestown-nh.gov. I think you will find some handy links under the Police Department, which include ID theft, pistol permits, Fish & Game, monthly logs. Look for the return of Cop Shop and other items of interest.

This summer a new *non-emergency* line was put into the Department it is 547-2043.

Finally, I have compiled some of the more notable figures for the year:

Abandoned Vehicle	1	Accidents	40
Alarms	7	911 hang ups	18
Animal Calls	55	Citizen Assist	46
Assault	1	Sexual Assault	1
Assist Other Dept./Officer	66	Arrests	19
Building/Property Check	85	Burglary	2
Computer Crimes	10	Criminal Mischief	10
Criminal Threat	1	Criminal Trespass	11
Disabled MVs	17	Disorderly Conduct	4
Directed Patrols	44	Domestic Disputes	9
Fingerprints School/Other	22	Harassing Comm.	11
Juvenile Complaints/Truant	17	Littering-Dumping	3
Missing Persons	12	M/V Complaints	17
Suspicious Incident	34	Noise Complaint	6
Neighborhood Disputes	1	Road Hazard	33
OHRV Complaint	4	Open Door/Window	2
Protective Order Violation	1	Protective Orders	1
Public Relations Talk	4	Parking Problem	3
Paper Service	46	Shots Fired	2
Stalking	1	Theft	18
Theft Motor Vehicle	1	Town Ordinance	8
Traffic Checkups	12	Traffic Warnings	652
Traffic Citations	113	Welfare Checks	44

All of us at the Francestown Police Department look forward to the New Year. We hope the economy will change for the better, and you and your family have a safe year.

Thank you.

Respectfully submitted,
Chief Stephen P. Bell

**ANIMAL CONTROL OFFICER
2008 REPORT**

Breakdown of calls for 2008

Dogs –

Missing	22
Strays	23
Found Owner	17
Nuisance	8 – includes barking, roaming
Dog bite	2

Cats –

Missing	8
Strays	13
Surrender	3

Livestock	11 – horses, cows, llamas, sheep, goat
Wildlife	18 – deer, raccoon, turkey, duck, fox, porcupine
Other	23 – includes concerns for animal's welfare and follow-ups to calls

Total calls 148

To help re-unite owners with their animals when they go missing, please call so I am aware that your animal is missing.

This year we transported 4 cats to The Monadnock Humane Society in Swanzeey after holding the animal(s) for seven (7) days and not being able to find the owner. We adopted out one of the strays that we picked up.

This year's rabies clinic was a success. A rabies clinic will be held in April 2009 – watch for posters as to the date and time. State law requires cats be vaccinated against rabies. Remember, when attending the rabies clinic, cats need to be in a carrier and dogs on a leash. Please remember to bring along your animal's current rabies certificate.

State law requires all dogs over 3 months old be licensed by April 30th each year. Remember – in addition to the license fee – there is an additional fee after June 1st to license your dog (\$25.00 Forfeit Fee and \$ 1.00 per month for each month you are delinquent). Proof of rabies vaccination (a rabies certificate) is required to license your dog – make sure you bring the certificate with you when you go to the Town Office to license your dog.

Once you have licensed your dog, please put the license tag on your dog's collar – this helps us locate you should your dog wonder off. There is a \$10.00 a day pick-up fee for animals held longer than 24 hours.

Respectfully submitted,

Donald C. Abbott
Animal Control Officer

2008 Report of the Zoning Board

This author has insufficient knowledge to offer the opinion as to the level of applications to the Board in 2008 compared to prior years.

The Board considered the applications of 9 property owners for relief. Some of the cases involved both requests for variances and for special exceptions. As of year-end two cases remained before the Board, one for a cell tower (special exceptions) and a drive access (special exception and variance) and the second for a drive apron and access (special exception and variance). During the year two cases were withdrawn by the property owners without prejudice. Two special exceptions were granted. One variance for an outside masonry fireplace within the shorefront set back was granted. One variance for a structure within the wetlands setback was denied. All decisions are final and no appeals were taken.

The author wishes to thank all Board members for their diligence, preparations, and attendance. The author further thanks the Planning Board, the Conservation Commission and Mr. Peter Hopkins for their assistance and guidance.

Respectfully submitted,
Silas Little

**FRANCESTOWN PLANNING BOARD
ANNUAL REPORT – 2008**

In 2009, the Planning Board saw a marked increase in the number of applications for subdivision. Of the seven cases we considered, four were approved, one was denied, one withdrawn and one is ongoing. A total of five new lots were created. Detail on each case is below. In addition, the Board met in preliminary consultation with Lou and Betsy Wiederhold regarding a proposed 15-lot subdivision of land located on Pleasant Pond Road and Main Street, to be developed under the Town's Open Space Development Ordinance. The Board has been informed that final plans will be submitted in 2009.

The Planning Board considered one application for site plan approval regarding property on the Greenfield Road, which was ultimately withdrawn, and one request for approval of an erosion control plan for a driveway on Old County North, which is ongoing.

After several Public Hearings, we approved updates and revisions to the Town's Subdivision, Site Development, and Driveway Regulations and all associated fee schedules.

We were very pleased to be able to place all of the Town's Laws and Regulations, applications and general information on the official Francestown web site, launched this year.

Because of the volume of casework and the limited number of volunteer hours, updates we had hoped to make this year on the Town's Master Plan were not completed. The Land Use and Community Facilities sections remain our top priority.

Respectfully Submitted
Sarah Hibbard Pyle, Chair

2008 Subdivision:

On May 6th the Board approved the application of Jane and Michael Chase for a two-lot subdivision of land on the 2nd NH Turnpike North (Map 8-Lot 48). One new lot was created.

On May 6th the Board approved the application of Richard O. Miller et al for a two-lot subdivision of land on Avery Road (Map 3-Lot 70). One new lot was created.

On May 20th the Board denied the application of Bruce and Danielle Harrington for a two-lot subdivision and a lot line adjustment of land on Red House and New Boston Roads (Map 6-Lot 79 and Map 3 Lot 31).

On July 1st the Board approved the application of Frank W and Elizabeth Jones, Frank Jones, Beth Speed, Nancy Gilmore and Janet Munson for a two-lot subdivision of land on the Bible Hill Road (Map 6-Lot 37). One new lot was created.

On August 19th the Board approved the application of the Estate of Cathering Howell for a three-lot subdivision of land on Scobie Pond and Dodge Hill Roads (Map 6-Lot 69 and 72 and Map 16, Lot 5). Two new lots were created.

An Application from Nancy Lundgren for a two lot subdivision of land located on 2nd NH Turnpike No. (Tax Map 8, Lot 41) was withdrawn.

An application from Waldo Palmer for a three-lot subdivision of land on Bible Hill and Palmer Roads (Map 6 Lot 32) is ongoing.

FRANCESTOWN'S SIX YEAR (2009-2014) CAPITAL IMPROVEMENT PLAN

The Town's Capital Improvement Plan (CIP), which was updated in January of 2009, serves three basic functions:

1. First and foremost, the CIP is a valuable planning tool which should help the Town to anticipate, prioritize, coordinate and manage its capital expenditures.
2. The CIP will provide part of the basis for developing any impact fee system that will require a developer, under certain circumstances, to offset some of the increased cost to the Town necessitated by his project.
3. The CIP will be essential for the development of any growth management ordinances, if, in the future, the Town should determine growth management to be necessary.

The major change from last year's 6-year plan is a **\$200,000+ reduction** in planned expenditures. The \$40,000 cut in 2009 will keep net outlays even with last year. In light of economic uncertainty, the revised plan delays funding for lower priority projects but reflects the need to accelerate the rate of savings for critical infrastructure projects, like bridges. Deferred plans include major upgrades to the town hall, new fire ponds and the second phase of the library expansion. Although some needed work at the police station and necessary handicap access improvements will proceed, it is unlikely that any major building projects will be possible before 2015.

In January, the state lowered the safety rating of the Juniper Hill bridge and expressed serious concerns about the Russell Station and Woodard Hill bridges. The town has already received a \$178,000 grant to replace the Pleasant Pond bridge and has applied for a \$600,000 grant to reconstruct the Russell Station Bridge to the east of the intersection with Woodard Hill Road; if approved, the Town will have to provide \$200,000 in matching funds. Town officials are hopeful that we will also receive some funding that will not require match funds from the federal stimulus package. This possibility is reflected on the warrant but not in the CIP.

The only project added in 2009 is the purchase of a new, larger generator for the fire station. Experience during the December ice storm has caused concern about the size and reliability of the present equipment. Funding would be from a grant and withdrawal from capital reserves.

Two 2008 projects are back on the 2009 warrant. For various reasons, no work was done on either the 2nd NH Turnpike bridge or on the hydrologic study for the fire department. Voters need to reauthorize withdrawals from capital reserves for the projects to go forward. A third 2008 project, not included in the CIP, is also on the warrant: The geo-thermal project for the library is significantly over-budget. Voters will be asked to appropriate the additional funds necessary to cover the anticipated \$24,000+ shortfall. Withdrawal from the town building reserve and acceptance of a gift from the library are the recommended sources of financing.

The breakdown of the \$401,830 of proposed net new spending (appropriations less withdrawals from reserves and other sources of non-property-tax revenue) for 2009 is listed in Column 2 of Exhibit 1 on the next page. Also included in Exhibit 1 are the articles as actually proposed by the departments. Footnotes indicate if the Selectmen and the Budget Committee recommend approval of a particular warrant article.

The CIP is prepared - and this summary is provided - to assist you in your decision making at Town Meeting. If you would like a copy of the complete plan or have any questions about the plan and how it is prepared, please contact the Planning Board.

Respectfully submitted,

The Planning Board The Board of Selectmen The Budget Committee February 5, 2008

EXHIBIT 1
1st YEAR OF 2008-2013 CIP COMPARED TO 2008 WARRANT ARTICLES

(1) Expense Item	(2) CIP	(3) Warrant Proposal	(4) Note	(5) Est. Tax Impact

Scobie Pond Milfoil	6,000	6,000	S,B	UFS
Reappraisal	30,000	30,000	S,B	R
Cemetery Trust	N/A	4,000	S,B	UFS
Fire Station Generator	24,000	24,000	S	P, R
Geo-thermal Heating	-	24,000	S,B	R
Total 2009 Warrants		\$1,759,069		\$ 1.63
Total 2009 CIP**	\$931,069			1.63
Total 2008 Warrants*				\$ 1.61

Note 1: Estimated Tax Impact per \$1,000 of assessed property valuation is based on actual warrant proposal.

Note 2: In Column 4, an S notation indicates that approval of the warrant article is recommended by a majority of the Board of Selectmen and a B indicates the positive recommendation of a majority of the Budget Committee.

Note 3: In Column 5, R indicates financing in part, or in whole, from reserves; UFS indicates withdrawals from undesignated fund surplus; P indicates partial financing from private donation or grant.

* This article was passed in 2008 but the project was not started. Voters need to authorize funding again.

** Excluding bond payment, which is part of CIP, but which is not discretionary.

CIP Road Program Report

Work on Poor Farm Road continued in 2008. All drainage work was completed as well as graveling, adding 6" of crushed gravel, final grading and paving the base coarse of asphalt. The completion of the project will be to add a top coat of asphalt this summer.

The remaining funds will be used on Pleasant Pond Road. Drainage work will be done as money allows, culverts, ditching etc. will be the focus for this year.

A grant was applied for and received for the amount of \$178k. Total preliminary costs are projected to be \$230k. A bridge will replace the structure. Current waterway area is insufficient and causes overflow and subsequent erosion of roadbed. This construction will be conducted as funding and permitting allow.

Respectfully Submitted,
Gary Paige

There were 1210 registered voters: 370 Republicans, 266 Democrats, and 574 Undeclared.

At the annual fire department meeting in January, Fire Chief Donny Abbott retired. He had served in this position for 32 years. Larry Kullgren, who has served with the department for 17 years, was elected new Fire Chief.

In April, Selectman Steve Griffin resigned and Betsy Hardwick was appointed to fill the open position.

In May, Crotched Mountain Resort (formerly known as Tory Pines) was purchased by Shell Vacations LLC, a resort and timeshare company based out of the west coast.

Two areas of town, Franchestown Main Street District (including a portion of Oak Hill Rd and the 2nd NH Turnpike South) and Franchestown Mill Village District were added to the State Register of Historic Places.

The "2010 By 2010 Saving Special Places" land conservation program added 180 acres to their goal. Thanks to George Sanderson 160 acres abutting the Dinsmore Brook conservation area were protected and thanks to Pamela Avery 20 acres abutting the Crotched Mountain Town Forest were protected. This brings the total acres protected to 1371.

A devastating ice storm hit the area on December 11th leaving a glaze of over 1/2 inch of ice, causing broken branches, downed trees and power lines. Residents were without power for about a week and in some cases almost 2 weeks.

Franchestown Improvement and Historical Society sponsored the 91st annual Labor Day weekend and over \$11,000 were raised. The parade theme was "Great Motion Pictures". The Historical Rooms were open the second Saturday of every month. Progress was made in photographing the artifacts in the historical collection. FIHS received a copy of the Franchestown Cemetery Veteran Documentation Project from Jacob and Ian MacKay, and copies are available for sale from FIHS. This project identified the location of veterans' plots in all 3 town cemeteries. In June, FIHS sponsored "Four Centuries of Fishing in NH", and hosted the Community supper. In December, they hosted the annual Christmas tree lighting and carol singing at the town hall. Various community organizations were supported by FIHS during the year and the organization also provided seasonal flowers and holiday wreaths. There were 361 members, including 140 lifetime members. FIHS participated in the 'Finlay Foundation's membership challenge' to historical societies in NH.

The Old Meeting House sponsored several events including: concerts by Patty Larkin, Ellis Paul, Tom Rush, Livingston Taylor, Monadnock Music and Candace Wharton's students. Wonder Blink held an exhibition of photographs entitled "Faces of Franchestown" and FIHS hosted a program "Four Centuries of Fishing in NH". On Labor Day weekend, tours, Vespers and the ice cream social were well attended. For the 2nd year, OMH was open for 'trick or treating' for children on Halloween. In addition, 5 weddings, 1 renewal of vows and 1 memorial service were held at OMH. Restorations/renovations included repair of a water leak in the flashing and masonry of the chimney in the SE corner of the building, and scraping and repainting the lower south face of the building, the bulkhead and ceiling below the east balcony. New access ramps were installed, allowing wheelchair access and entry through the main front doors.

Oak Hill Grange #32 awarded "Citizen of the Year" to the crew of the Highway Department. The Grange was dissolved in October due to not enough members. The Garden Club had a successful plant sale in May, earning over \$2000 in profits. This allowed them to increase the amount awarded in scholarships. Eight applicants submitted essays (500 words on their interest in the sciences) and the winners were: 1st place-Liam Delahanty (\$750) and 2nd place- Angela Jones (\$250).

Rev Suzanne Lamport served as pastor of the Franchestown Community Church.

There were 59 students enrolled in Francetown elementary school, 59 in Great Brook Middle School, and 107 in Conval High School. Francetown students were also enrolled in: 1 in Peterborough Elementary School, 1 in Greenfield Elementary School, 1 in Antrim Elementary School, 1 in Bennington Elementary School, and 2 in South Meadow School. There were 17 home schooled students in town.

Joyful Tikes Pre-School, a private school serving 3-5 year olds closed in April.

Farming Fun 4-H Club had 10 members. Members showed sheep and won several awards at the Hillsborough County Fair, and Sheep Quiz bowl. Several members participated in a sheep clinic in July, the Sheep and Wool Festival, and a training seminar for emergency first aid for large animals and learned what to do until the vet arrives. Six members witnessed a vet assisted live birth of twin sheep. Club members took sheep to a church in New Boston for a 'live nativity'. Community service by club members included: assembling and delivering welcome baskets, stacking wood at the town community wood pile, roadside clean up, assisting the Community Church with various activities and child care once a month during summer and winter months.

Francetown Food Co-Op, in its' 34th year of operation, met at the Town Hall.

Purchasing is done through 2 companies. United Natural Foods delivers every other month on Fridays and Associated Buyers delivers once a month on Mondays.

To the best of my knowledge, residents who served in the armed forces were:

US Navy- IS2 Christina Davis, US Marine Corp- Gunnery Sgt Richard Beard, Pvt William Dennis Robbins Jr, US Army Reserve- Sgt Richard Roberts

Francetown mourned the loss of several residents in 2008:

January 27, 2008- **Merle B Jones Jr**, was Master of Oak Hill Grange #32 and had been a member for 21 years. He served in the Army in Europe during the Battle of the Bulge in WWII. He was employed at Goodells in Antrim and Hitchiners in Milford, was a Little League coach and enjoyed cribbage, hunting, fishing and the family horses.

April, 25, 2008- **Nellie N Abbott** was born in Francetown and attended Cushing Academy and Hesser Business College. She was employed by the Guernsey Cattle Club and Honeywell and ran Abbotville Farm Fresh Vegetables for several years. She initiated the paperwork needed for the formation of 4H in Francetown and served as leader for over 25 years. She also served as supervisor of the checklist and scorekeeper for the Little League team. She was a member of the Francetown Community church, the Women's Guild and the Francetown Academy Alumnae Scholarship Committee and enjoyed vegetable and flower gardening, watching Red Sox games and collecting Santas.

May 20, 2008- **Lester J Foote Sr** was born in Francetown, attended school here and served on the Francetown Fire Department for 25 years. He was employed by HL Hopkins in Greenfield, Noone's Mills in Peterborough and the Town of Bennington.

December 14, 2008- **Michael deTarnowski**, an executive at Sabena Belgian World Airlines was born in Romania and immigrated to the US at the age of 27. He was educated in Europe and attended Columbia University in NYC. During WWII he served with the French Free Forces. He was fluent in English, French, German, Italian, Spanish, Portuguese, Romanian and Russian, and was an active supporter of many organizations including Greenpeace, Sierra Club and East African Wildlife Society.

December 17, 2008- **Adam Nation-Ames** born in Francetown attended the Well School, Conval High School and was a 2005 graduate of Plymouth State College. He was employed by Robert Ames Carpentry of Francetown and owned and operated "It's All Good Hotdogs" in Hampton Beach. He enjoyed lacrosse, skating, snowboarding, reading, music and being outdoors.

All will be greatly missed by the community.

Respectfully submitted,

Kris Holmes, Historian

PUBLIC ASSISTANCE ADMINISTRATOR'S REPORT 2008

This year was another busy year for the Public Assistance Department. During the first part of the year, we saw many new clients and provided some on-going assistance. The second half of the year brought a number of calls for information from residents being affected by the worsening economy. Many of these residents were homeowners who chose not to apply when they discovered that a lien for any assistance given would be placed on their property. In addition, a number of clients moved from Francetown during the time when gas prices were high. For each case, everything possible is done to secure assistance and provide help from all available programs. In spite of this, the Public assistance budget was overspent. By State Law, qualified applications must be assisted with their needs, even if it means going over the budget.

The Public Assistance Department took on one project this year. A woodshed was built with donated funds and delivered to town to store firewood for residents in need. At this time, there are over four cords of wood being stored in and around the wood bank. The shed holds wood ready for burning this season. The wood stored outside will be ready next year. If you find yourself in need of wood to help with your heating needs, please call 547-3254.

Due to the ice storm, the deliveries to the elderly in Town have been postponed. Plans are being made to bring a Valentine's Day surprise. I'm very grateful for all the help and support I have received with this program.

Assistance is available for those in need. It is a timely process, however an application must be completed and verified. Small amounts of aid can be given in an emergency to gain the time needed to verify an application. If you find yourself in need, please contact me at 547-3254. If you know of someone who requires assistance, please encourage them to contact me directly.

Home Healthcare, Hospice & Community Services

Report to the Town of

FRANCESTOWN

2008

Annual Report

In 2008, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Francestown. The following information represents HCS's activities in Francestown during the past twelve months.

Service Report

Services Offered	Services Provided
Nursing	354 Visits
Physical Therapy	87 Visits
Speech Pathology	7 Visits
Occupational Therapy	33 Visits
Medical Social Work	14 Visits
Home Health Aide	275 Visits
Chronic Care	66 Hours
Health Promotion Clinics	9 Clinics

Total Unduplicated Residents Served with home care services: 32

Prenatal and well child care, hospice services and regularly scheduled "Nurse Is In" clinics are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 2008 with all funding sources is projected to be \$102,668.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2009, we request an appropriation of \$1,212.00 to continue to be available for home care services in Francestown.

Thank you for your consideration.

**Monadnock Family Services
Annual Report to the Towns
For the year ended June 30th, 2008**

Town of: FRANCESTOWN

**Monadnock Family Services provided the following services to
your town's residents this last year:**

Number of clients treated:	42
Children:	15
Adults:	20
Seniors:	7
Total # of appointments provided for the above residents:	1,896
Percentage of payments received for services:	77.79%
Discounts based on a residents ability to pay and other discounts:	\$18,283.37
In addition to the above discounts current outstanding and uncollectible resident balances:	\$7,080.25

CEMETERY COMMISSION REPORT

2008

Cemetery #3 had ten interments and sold two lots this past year.

The ice storm caused damage to trees in all three cemeteries. The tree work we have been doing each year hopefully lessened the impact on the gravestones. Come Spring the Trustees will be seeking volunteers to help clean up and add to the Town's available woodpile.

The Trustees are well aware of flooding in #3 in the SE corner of the middle section flowing under the wall into the southern section. We will be addressing this issue in the Spring when this again will be visible. We do have photos of the late Fall flooding available.

In late September the Trustees regretfully accepted Cynthia French's resignation from the Commission. We thank her for her service to the Town and for her enthusiastic dedication to the task. Robert Abbott was appointed by the Selectmen to serve in the interim. We are grateful for his willingness to step in.

Ian and Jacob MacKay completed a two-year project identifying veterans of the Revolutionary war to present time, in our three cemeteries. They did an exemplary job of creating a booklet which was presented to the Cemetery Commission and FIHS. Anyone interested in obtaining a copy please contact Betsy Wiederhold of the CC or Charles Pyle of FIHS.

The gate for the middle section of #3 projected to be installed late Fall was delayed due to weather. We look forward to having this final manifestation of all our contributors as soon as the snow melts.

PATRIOTIC PURPOSES 2008

In the spring of 2008, the Selectmen formed a committee of three to carry out Patriotic Purposes. Committee members are: Scott Carbee, Polly Freese and Betsy Wiederhold.

The Patriotic Purposes Committee celebrates two national holidays annually and all residents are invited to participate. The Memorial Day Service, honoring the military personnel who have given their lives in defense of our country, involves the children and faculty of the Francestown Elementary School. The Color Guard, with the flags proudly waving, marches down from the school to Cemetery #3 on the Turnpike. It is quite enthralling to see all the eager students following, and filing into the cemetery to stand in quiet attention while the service begins. At the Veterans Day service of 2007 the Quilty family donated an American flag, US Army flag and NH State flag to the Town for patriotic purposes and parades. These flags were used for Memorial Day 2008. Every year the service is a bit different but always includes prayers led Pastor Suzanne Lamport, patriotic songs sung by the students, the laying of a memorial wreath at the grave of the Unknown, and the soulful playing of Taps. Each participant is given a small remembrance flag from a Veteran. After the school children depart, the assembly moves on to lay a wreath and say a prayer at Cemetery #2. The service ends at the Memorial Rock by the Old Meeting House, with another prayer and wreath laying.

Veterans Day, which is always celebrated at 11 AM on the 11th day of November, is for thanking all men and women who have served honorably in the military during times of war and peace. This service also marked the welcomed donation of the Marine flag, presented by Marine Veterans. It is hoped that future donations of the flags of the Navy, Coast Guard and Air Force will be received. The Veterans do a short parade march from the Town Common to the Memorial Rock for a gun salute, prayers, wreath laying and Taps. Then, all march back to the Town Hall for a wonderful luncheon provided by the members of the Auxiliary of the Francestown Volunteer Fire Department. Participation grows annually and this year it was felt that some 100+/- residents and guests attended the service, with most staying for the luncheon.

Please join us in 2009 to mark these days of remembrance and thanks.

TOWN OF FRANCESTOWN – Amendments to the Francestown Zoning Ordinance:

ARTICLE 2:

(By Official Ballot)

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Francestown zoning ordinance as follows:

Amend **Article II-A, Conservation Overlay Districts** to require that the Zoning Board of Adjustment provide notice to the Conservation Commission of all Applications for Variance when the land affected is located within an overlay district.

Yes 248 No 54

ARTICLE 3:

(By Official Ballot)

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Francestown zoning ordinance as follows:

Article II-A, Conservation Overlay Districts: make minor amendments to update the language of and correct inconsistencies in the ordinance.

Yes 256 No 47

ARTICLE 4:

(By Official Ballot)

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Francestown zoning ordinance as follows:

Amend **Article IV Signs** to more clearly define Directional Signs, and to establish guidelines for their content, size and lighting.

Yes 171 No 125

ARTICLE 5:

(By Official Ballot)

Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Francestown zoning ordinance as follows:

Amend **Article V Open Space Development** to: prohibit backland lots within an open space development, set a maximum setback for structures within a lot, increase the development perimeter setback, eliminate a 60% density bonus, and require that lot sizes be adequate to provide for emergency access and to support adequate well and septic systems.

Yes 221 No 80

ARTICLE 6:

(By Official Ballot)

Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Francestown zoning ordinance as follows:

Amend **Article VIII Definitions** to clarify the definitions of “Frontage” to ensure that frontage for a lot has the capacity to provide access to the lot, and to add a definition for “Natural Ground Cover”.

Yes 233 No 71

Pursuant to RSA 39:2a and the vote of the Annual Town Meeting in 1979, you are hereby notified the second session of the annual meeting of the Town of Francestown will be held at the Town Hall on Saturday, the Fifteenth day of March next, at ten of the clock in the forenoon, at which time the town will act on the following subjects.

RESOLUTION:

Be it resolved that the citizens of Francestown extend their thanks and appreciation to Donald Abbott for his years as Chief of the Francestown Fire Department, and further that a copy of this resolution be forwarded to Mr. Abbott by the Town Clerk

Resolution Carried.

RESOLUTION:

Be it resolved that the citizens of Francestown extend their thanks and appreciation to Clayton "Abe" Philbrick for his years of service on the Francestown Highway Department, and further that a copy of this resolution be forwarded to Mr. Philbrick by the Town Clerk.

Resolution Carried.

RESOLUTION:

Be it resolved that the citizens of Francestown recognize their friend and librarian of many years, Joan Hanchett, and their appreciation for her service to the Francestown Community, and further that a copy of this resolution be forwarded to Mr. Frank Hanchett by the Town Clerk

Resolution Carried.

ARTICLE 7:

Motion made by Charles Pyle to see if the Town will vote to raise and appropriate the sum of One Million, Four Hundred Sixteen Thousand, One Hundred Twenty Five Dollars (\$1,416,125.00), such sums to be raised by taxation, or take any other action relating thereto;

Seconded by Abigail Arnold.

Meeting to Adjourn Meeting at 2:22 PM Carried

A true copy of Warrant-Attest:

Elaine T. McClary, Town Clerk

TOWN OF FRANCESTOWN

Francestown New Hampshire

PROPERTY ASSESSMENTS

AS OF APRIL 1, 2008

This booklet contains the names of the owners of real estate and certain other taxable property in the Town of Francestown as of April 1, 2008, together with the amounts of which each property was assessed for tax purposes.

It is called to your attention that interest at 12% annum will be charged on all property taxes not paid by the due date specified on the tax bill, and the filing of a request for review of assessment will not waive this penalty.

Selectmen of Francestown

**William F. McAuley
Thomas P. Anderson
Betsy Hardwick**
